Dear Colleague:

Thank you for your interest in joining the Georgia Society of Oral and Maxillofacial Surgeons. We urge you to return your completed application, along with your application fee of \$25, to us as soon as possible in order that we can process it prior to our next meeting. Please download the application and forward it to our office.

Once your application is presented to the membership you will be approved for provision status pending approval by AAOMS and verification that you have completed the anesthesia evaluation requirements. You have two years to complete these requirements at which time you will be a full active member. If you have not yet completed the anesthesia evaluation requirement and you practice under your dental degree, please contact Carolyn Hardnett at the Georgia Board of Dentistry at 478.207.1686. You may also access their website for the application at www.sos.state.ga.us. If you practice under your medical degree, please contact Dr. Antwan Treadway who will arrange for that evaluation to be completed. He may be reached at 770.941.2476.

Annual dues for GSOMS are \$275.00 for active and provisional members. You will be billed once you are approved for Provisional status.

If you have any questions regarding the application process or if there is any why in which our Society can assist you, please do not hesitate to contact our Executive Director, J. W. (Hank) Holderfield, at 770.271.0453.

Sincerely yours,

Jones Phillips
